

HALESWORTH URBAN DISTRICT COUNCIL.

W.M. BURNS M.B. D.P.H.
Medical Officer of Health.

10 The Uplands,
THORPENESS.
Leiston.

Telephone. Aldeburgh 91.

3rd October 1945.

INTERIM REPORT OF THE MEDICAL OFFICER OF HEALTH
FOR THE YEAR ended 31ST DECEMBER 1944.

To the Chairman and Councillors of the Halesworth Urban District
Council.

Gentlemen,

Once again the Minister of Health requires an interim
report with preservation of Vital Statistics.

Diphtheria Immunisation was continued with the co-operation
of the County Council and the District Nurse. I estimate that over
80% of the child population of the District has been treated.

Of the 14 cases of Infectious Disease notified during the
year 5 were Scarlet Fever and one of these was sent to Lowestoft
Isolation Hospital under the Council's scheme. One of the 14
cases was a non-civilian.

I have little to add to last year's report on water except
that an increased supply is contemplated. No samples were tested
during the year and no action was taken for contamination of the
supply.

I am,
Your obedient Servant,

WM. M. BURNS.

Medical Officer of Health.
